## CORONAVIRUS UPDATE

Our community's health, well-being and safety are our highest priorities here at Heroes Moving & Storage. At this time, we want to reassure you as our valued customers of the steps we are taking to continue our highest quality of service to you, your family and/or business.

Our managers, sales team members, movers, warehouse and trucks are operating, and ready to support you. We realize some moves may need to have the dates adjusted and we are here to work with you and make adjustments in scheduling as needed.

We are monitoring and following the guidelines of the Centers for Disease Control and Prevention (CDC). Heroes Moving & Storage is taking numerous precautionary steps to protect our staff, customers and community in the current environment. At our warehouse and on our trucks we are reinforcing adherence to healthy hygiene practices and increasing sanitation measures.

Our Sales Team is conducting virtual on site estimates via SKYPE or Facetime to adhere to the social distancing and to support those who feel the need to self-quarantine .

Thank you for your continued trust and business. The Heroes Moving & Storage team will remain committed to enabling a smooth and stress free move. If you have any questions, please do not hesitate to reach out to our sales manager or dispatcher at (804) 409-0429 .
